State and Sufism in Iraq David Jordan
2021-12-31 State and Sufism in Iraq is the first comprehensive study of the Iraqi Ba‘th regime’s (r. 1968–2003) entanglement with Sufis and of Sunnī Sufi Islam in Iraq from the late Ottoman period until 2003 and beyond. For far too long, the secular and authoritarian Ba‘th regime has been reduced to the dictator Saddam Husayn

and portrayed as antireligious. It’s growing political employment of Islam during the 1990s, in turn, has been interpreted either as an abstract Ba‘thist-nationalist Islam or as an ideological U-turn from secularism to a form of Islamism that ultimately contributed to the spread of Islamist terrorism after 2003. Broadening the narrow focus on Saddam Husayn, this book analyses other leading regime figures,

their close entanglement with Sufis, and Ba'ath religious politics of a state-sponsored revival of Sufi Islam and Iraq's broad and distinct Sufi culture. It is the story of a secular regime's search for "moderate" Islam in order to overcome the challenges of radical Islamism and sectarianism in Iraq. The book's two-pronged interdisciplinary approach that deals equally with politics and Sufi Islam in Iraq makes it a valuable contribution to scholars and students in Islamic and Middle Eastern Studies, Religious Anthropology and Sociology, Political Science, and International Relations.

The A to Z of Sufism John Renard 2009-08-17
With more than 3,000 entries and cross-references on the history, main figures, institutions, theory, and literary works associated with Islam's mystical tradition, Sufism, this dictionary brings together in one volume, extensive historical information that helps put contemporary events into a historical context.
World of the Sufi Idries Shah 2019-04-28

Assembled by Idries Shah, *The World of the Sufi* is a comprehensive collection of learned essays and papers on the subject of Sufi thought. One of the book's attractions is the way that it considers central questions and areas of study from different angles. Sufi literature, the use of humour, and Sufi communities in various cultural settings, are some of the many subjects discussed. In addition, experts in their fields comment on areas such as Sufism and Psychiatry, Indian Thought and the Sufis, and Therapy and the Sufi. Among the book's contributors are Idries Shah, Doris Lessing, Peter Brent and Dr. Arthur J. Deikman.

The Philosophy of Ecstasy Leonard Lewisohn 2014
Jalal al-Din Rumi (1207-73), founder of the Mevlevi Sufi order of "Whirling Dervishes," is the best-selling poet in America today. The wide-ranging appeal of his work is such that UNESCO declared 2007 to be "International Rumi Year." However, his writings represent much more than love poetry. Rumi was one of the preeminent

thinkers of Sufism, the esoteric form of Islam. In this groundbreaking collection of 13 essays on Rumi, many of the world's leading authorities in the field of Islamic Studies and Persian Literature discuss the major religious themes in his poetry and teachings. In addition to discussing the ideas of love, ecstasy, and music in Rumi's Sufi poetry, the essays offer new historical and theological perspectives on his work. The immortality of the soul, freewill, the nature of punishment and reward, and the relationship of Islam to Christianity are all covered, in order to bring Rumi's poetry properly into the context of the Sufi tradition to which he belonged.

Sufism Carl W. Ernst 2017-04-04 The Sufis are as diverse as the countries in which they've flourished—from Morocco to India to China—and as varied as their distinctive forms of art, music, poetry, and dance. They are said to represent the mystical heart of Islam, yet the term Sufism is notoriously difficult to define, as it means different things to different people both within

and outside the tradition. With that fact in mind, Carl Ernst explores the broadest range of Sufi philosophies and practices to provide one of the most complete and comprehensive introductions to Sufism available in English. He traces the history of the movement from the earliest days of Islam to the present day, along the way examining its relationship to the larger world of Islam and its encounters with both fundamentalism and secularism in the modern world.

Sufi Political Thought Milad Milani 2017-11-06 Sufism is generally perceived as being spiritually focused and about the development of the self. However, Sufi orders have been involved historically as important civic and political actors in the Muslim world, having participated extensively in inter-faith dialogue and political challenges to religious orthodoxy. This book presents a comprehensive overview of the Sufi political tradition, both historically and in its present form. It outlines how Sufi thought has

developed, examines how Sufism has been presented both by scholars and by Sufis themselves, and considers Sufis' active political roles. It argues that Sufis – frequently well educated, well travelled and imaginative – have been well placed to engage with other faiths and absorb their ideas into Islam; but that they have also been, because they understand other faiths, well placed to understand the distinctiveness of Islam, and thereby act as the guardians of Islam's core ideas and values.

A Sufi Coloring Book Netanel Miles-Yépez 2020-11-10 This delightful coloring book brings new and traditional images of Sufi saints and symbols together in one book. It includes depictions of famous Sufi saints, such as Rabia of Basra, Rumi, Jehanara Begum, Hazrat Inayat Khan, as well as scenes from Sufi life and practice.

What is Sufism? Martin Lings 1975

Sufism Gholamali Haddad Adel 2012-08-30 Sufism is one of the most ancient and

widespread Islamic movements. A broad term, it is used to refer to a mystical and inward approach to faith. However, some Sufi groups have also had a significant impact on political or social developments in the Islamic world. This book discusses Sufism in virtually all regions of the Islamic world. Notable Sufi orders throughout history are described with a focus on their history, leaders, and distinguishing features. The relationship between Sufism and pre-Islamic traditions as well as other religions is also explored. This book is part of a series of translations from the Encyclopaedia of the World of Islam (EWI) which was originally compiled in Persian. Other entries from this encyclopaedia which are available in English include Hadith, Hawza-yi 'Ilmiyya, History and Historiography, Muslim Organisations, Political Parties, Qur'anic Exegeses, and Education in the Islamic Civilisation.

major works of Sufi historiography, which takes the form of collections of biographies. It provides a literary context in which one can appreciate fully the theological significance and historical value of Sufi biographies.

Sufi Encounters Shaykh Fadhlalla Haeri

2019-05-14 An unparalleled exploration of Sufism as it is practised around the world, describing meetings with today's enlightened teachers as well as including wonderfully inspiring translations of the great Sufi masters of the past. Ultimately, this book acts as a guide to the Sufi path and offers wise insight into the meaning and purpose of life. A compelling view of Sufi history together with vivid personal remembrances of living mystics. This is an inspiring and at the same time beautifully subtle book, with light-filled insights on every page." - Saadi Shakur Chishti, author of The Sufi Book of Life The Sufi path described in this book leads the seeker past ordinary states of consciousness towards a new experience of infinitude that is the source of the

universe. In this stage there is no duality or otherness, but instead infinitude, the Original Oneness, from which all dualities and attributes emanate. The book is at once an autobiography, a didactic treatise and a literary opus full of wonderful translations of the words of earlier Sufis, as well as the author's own poetry. It describes Shaykh Fadhlalla Haeri's life quest to connect today's world with classical times, especially through his meetings with enlightened Sufis all over the globe. Shaykh Fadhlalla Haeri also addresses profound Sufi teachings concerning the nature of humankind, the cosmos and God, using clear and simple language to address difficult doctrinal issues as only a master who has digested fully such knowledge could do. The book also reveals much about the present-day Islamic world where, despite the tragedies that are to be seen everywhere, tradition and spirituality survive. This is a metaphysical and spiritual guide to the Sufi path that ultimately offers insight into the meaning and purpose of

life.

Sufism Mark J. Sedgwick 2003-11-15 For more than a millennium, Sufism has been the core of the spiritual experience of countless Muslims. As the chief mystical tradition of Islam, it has helped to shape the history of Islamic societies. Although it is the Sufi face of Islam that has often appealed to Westerners, Sufis and Sufism remain mysterious to many in the West, and are still widely misunderstood. In this new, redesigned paperback edition of this bestselling book, a scholar with long experience of Sufism in the Middle East, Southeast Asia, and Europe succinctly presents the essentials of Sufism and shows how Sufis live and worship, and why. As well as what Sufism is and where it comes from, the book discusses Sufi orders not only in the Islamic world but also in the West. The political, social, and economic significance of Sufism is outlined, and the question of how and why Sufism has become one of the more controversial aspects of contemporary Islamic religious life is

addressed. This book assumes no prior knowledge of the subject. It is a penetrating and concise introduction for everyone interested in Islam and Islamic societies.

The Little Book of Sufi Parables Nico Neruda 2018-12-09 Mulla Nasruddin and two other saints went for a pilgrimage to Mecca. They were passing through a village, it was the last phase of their journey. Their money was almost finished; just a little bit was left. They purchased a certain sweet called halva, but it was not enough for all the three and they were too hungry. What to do? -- and they were not even ready to divide it because then it will not fulfill anybody's hunger. So everybody started bragging about himself that, "I am more important to existence, so my life has to be saved." The first saint said, "I have been fasting, I have been praying for so many years; nobody here present is more religious and holy than I am. And God wants me to be saved, so the halva has to be given to me." The second saint said, "Yes, I know, you are a man of great

austerities, but I am a great scholar. I have studied all the scriptures, my whole life I have devoted in the service of knowledge. And the world does not need people who can fast. What can you do? -- you can only fast. You can fast in heaven! The world needs knowledge. The world is so ignorant that it cannot afford to miss me. The halva has to be given to me." Mulla Nasruddin said, "I am not an ascetic, so I cannot claim any self-control. I am not a great knowledgeable person either, so that too I cannot claim. I am an ordinary sinner, and I have heard that God is always compassionate to the sinners. The halva belongs to me." They could not come to any conclusion. Finally they decided that, "We all three should sleep without eating the halva, and let God decide himself. So whosoever is given the best dream by God, in the morning that dream will be decisive." In the morning the saint said, "Nobody can compete with me anymore. Give me the halva -- because in the dream I kissed God's feet. That is the ultimate that one

can hope -- what greater experience can there be?" The pundit, the scholar, the knowledgeable person laughed and he said, "That is nothing -- because God hugged me and kissed me! You kissed his feet? He kissed ME and hugged me! Where is the halva? It belongs to me." They looked at Nasruddin and asked, "What dream did you have?" Nasruddin said, "I am a poor sinner, my dream was very ordinary -- very ordinary, not worth even telling. But because you insist and because we have agreed, I will tell you. In my sleep God appeared and he said, 'You fool! What are you doing? Eat the halva!' So I have eaten it - - because how can I deny his order? There is no halva left now!"

The Little Book of Sufi Parables: Short Stories on Wisdom and Spirituality Sufi Masters have been using short stories to teach people important life lessons. In just a few paragraphs, the Sufis are able to convey messages that others can hardly do in hundreds of pages. This great compilation of stories offer insights into their wisdom and inspirations.

I Sufi Idries Shah 1990

A Sufi-Jewish Dialogue Diana Lobel 2013-03-01

Written in Judeo-Arabic in eleventh-century Muslim Spain but quickly translated into Hebrew, Bahya Ibn Paquda's Duties of the Heart is a profound guidebook of Jewish spirituality that has enjoyed tremendous popularity and influence to the present day. Readers who know the book primarily in its Hebrew version have likely lost sight of the work's original Arabic context and its immersion in Islamic mystical literature. In A Sufi-Jewish Dialogue, Diana Lobel explores the full extent to which Duties of the Heart marks the flowering of the "Jewish-Arab symbiosis," the interpenetration of Islamic and Jewish civilizations. Lobel reveals Bahya as a maverick who integrates abstract negative theology, devotion to the inner life, and an intimate relationship with a personal God. Bahya emerges

from her analysis as a figure so steeped in Islamic traditions that an Arabic reader could easily think he was a Muslim, yet the traditional Jewish seeker has always looked to him as a fountainhead of Jewish devotion. Indeed, Bahya represents a genuine bridge between religious cultures. He brings together, as well, a rationalist, philosophical approach and a strain of Sufi mysticism, paving the way for the integration of philosophy and spirituality in the thought of Moses Maimonides. A Sufi-Jewish Dialogue is the first scholarly book in English about a tremendously influential work of medieval Jewish thought and will be of interest to readers working in comparative literature, philosophy, and religious studies, particularly as reflected in the interplay of the civilizations of the Middle East. Readers will discover an extraordinary time when Jewish, Christian, and Islamic thinkers participated in a common spiritual quest, across traditions and cultural boundaries.

Sufi Essays Seyyed Hossein Nasr 1991-01-01

This book combines scholarly research into certain aspect of Sufi doctrines and history with a penetrating account of the spiritual and metaphysical message and significance of Sufism as a living spiritual tradition. In an original discussion, unlike anything that has appeared before in studies of Sufism, the author places special accent on the pertinence of Sufi teachings to the most acute contemporary problems. The book addresses itself to both the ever-increasing Western public interested in Sufism and to the Western-educated Muslim interested in his own spiritual heritage. Dr. Nasr draws on his intimate knowledge of the Sufi literature in Arabic and Persian as well as his first-hand knowledge of Sufi tradition itself to produce this further volume in his numerous studies on the different facets of Islam.

Shi'i Islam and Sufism Denis Hermann

2020-01-23 Offering new perspectives on the relationship between Shi'is and Sufis in modern

and pre-modern times, this book challenges the supposed opposition between these two esoteric traditions in Islam by exploring what could be called "Shi'i Sufism" and "Sufi-oriented Shi'ism" at various points in history. The chapters are based on new research in textual studies as well as fieldwork from a broad geographical areas including the Indian subcontinent, Anatolia and Iran. Covering a long period stretching from the early post-Mongol centuries, throughout the entire Safawid era (906-1134/1501-1722) and beyond, it is concerned not only with the sphere of the religious scholars but also with different strata of society. The first part of the volume looks at the diversity of the discourse on Sufism among the Shi'i "ulama" in the run up to and during the Safawid period. The second part focuses on the social and intellectual history of the most popular Shi'i Sufi order in Iran, the Ni'mat Allahiyya. The third part examines the relationship between Shi'ism and Sufism in the little-explored literary traditions of the Alevi-

Bektashi and the Khaksariyya Sufi order. With contributions from leading scholars in Shi'ism and Sufism Studies, the book is the first to reveal the mutual influences and connections between Shi'ism and Sufism, which until now have been little explored.

The Book of Ascension to the Essential

Truths of Sufism Ahmad Ibn Ajiba 2011 Written by 18th-century Moroccan scholar and mystic Ahmad ibn 'Ajiba, this book defines Sufic terminology. Based on four published Arabic editions of the Mi'raj and two manuscript versions, this translation is supplemented by excerpts from some of Ibn 'Ajiba's other works, which offer insights about the essential notions of Sufism: repentance, integrity, love, patience, gratitude, and the Eternal Wine. A comprehensive compilation, this bilingual edition—Arabic and English—celebrates Ahmad ibn 'Ajiba's belief that coming to know and reflect upon these notions could be, in itself, a sort of ascending meditative journey.

Sufis Idries Shah 2020-06-20 The Sufis is the best introduction ever written to the philosophical and mystical school traditionally associated with the Islamic world. Powerful, concise, and intensely thought-provoking, it sums up over a thousand years of Eastern thought - the product of some of the greatest minds humanity has ever produced - into a single work, presenting timeless ideas in a fresh and contemporary style. When the book was originally published in 1964, it launched its author, Idries Shah, on to the international stage, attracting the attention of thinkers and writers such as J. D. Salinger, Doris Lessing, Ted Hughes and Robert Graves. It introduced to the Western world concepts which have subsequently become commonly accepted, varying from the psychological importance of attention and humour, to the use of traditional tales as teaching instruments (what Shah termed 'teaching-stories'), and the historical debt owed by the West to the Middle East in matters scientific, literary and philosophical. As a primer

for the many dozens of Sufi books that Shah later produced, it is unsurpassed, offering a clear window onto a community whose system of thought and action has long concerned itself with the advancement of the whole of humankind, and whose ideas about individuals and society, their purpose and direction, need to be understood now more than ever before.

Contemporary Sufism Meena Sharify-Funk

2017-12-22 What is Sufism? Contemporary views vary tremendously, even among Sufis themselves. *Contemporary Sufism: Piety, Politics, and Popular Culture* brings to light the religious frameworks that shape the views of Sufism's friends, adversaries, admirers, and detractors and, in the process, helps readers better understand the diversity of contemporary Sufism, the pressures and cultural openings to which it responds, and the many divergent opinions about contemporary Sufism's relationship to Islam. The three main themes: piety, politics, and popular culture are explored in relation to the Islamic and

Western contexts that shape them, as well as to the historical conditions that frame contemporary debates. This book is split into three parts: • Sufism and anti-Sufism in contemporary contexts; • Contemporary Sufism in the West: Poetic influences and popular manifestations; • Gendering Sufism: Tradition and transformation. This book will fascinate anyone interested in the challenges of contemporary Sufism as well as its relationship to Islam, gender, and the West. It offers an ideal starting point from which undergraduate and postgraduate students, teachers and lecturers can explore Sufism today.

Historical Dictionary of Sufism John Renard
2015-11-19 The most broadly accepted explanation of Sufism is the etymological derivation of the term from the Arabic for “wool,” *ṣūf*, associating practitioners with a preference for poor, rough clothing. This explanation clearly identifies Sufism with ascetical practice and the importance of manifesting spiritual poverty through material poverty. In fact, some of the earliest “Western” descriptions of individuals now widely associated with the larger phenomenon of Sufism identified them with the Arabic term *faqīr*, mendicant, or its most common Persian equivalent, *darwīsh*. Sufism, as presented here embraces a host of features including the ritual, institutional, psychological, hermeneutical, artistic, literary, ethical, and epistemological. This second edition of Historical Dictionary of Sufism contains a chronology, an introduction, a

glossary, and an extensive bibliography. The dictionary section has over 1,000 cross-referenced entries on important personalities, major historical figures and movements, practices, economy, foreign relations, religion, and culture. This book is an excellent access point for students, researchers, and anyone wanting to know more about Sufism.

The Risalah 'Abd al-Karīm ibn Hawāzin Qushayrī
2002

Sufi Poems 2004 "Though in recent years much attention has been lavished on Persian Sufi poetry, the vast treasure of Arabic Sufi poetry has been left virtually untouched. In *Sufi Poems: A Mediaeval Anthology* we have for the first time a compilation and translation of some of the great masterpieces of Arabic Sufi poetry with the original Arabic on facing pages." "Beginning with the poetry of the renowned female saint, Rabi'ah al-Adawiyyah (d. 185 AH/801 AD), and including poems by Hallaj, Ghazali, Ibn Arabi, Ibn al-Farid and many others, Martin Lings offers us a taste of

the inner life of Sufism at its most intoxicating."--
BOOK JACKET.

The Little Book of Sufi Stories Neil Douglas-Klotz

2018-06-01 The stories in this book are drawn from the dozens that Douglas-Klotz has enjoyed telling in his seminars over the past 20 years.

Most of them appear in works of the classical Sufis, such as Rumi, Attar, or S'adi. To preserve some of the in-person feeling and bring the language up to date, he has given them his own improvised turns. "If you want to hear a good story but prefer to read it instead, then read Douglas-Klotz! He writes as if he's sitting in your living room, invited over for afternoon tea to entertain you with some heart-pleasing, often humorous, yet soul-searching Sufi stories. His modernization of these old texts is gentle and mindful, yet unapologetic." —Maryam Mafi from the Foreword

Great Da'i, Sufi Saint and Poet of Kashmir)' covers all the aspects of Islamic themes in a lucid way and linked these themes with the teachings of the dynamic personality of the great Da'i, Sufi Saint and Poet of the Kashmir valley of the 14th century. i.e. Shaikh al-'Alam Shaikh Nūr al-Din (Reh.A). All the teachings of Shaikh in the form of Shruks are derived from the Qurān and Ḥadīth. This book highlights his teachings as basic tenets of Islām. Secondly, this book helps in introducing Shaikh al-'Ālam (Reh.A) to the international community as the real Islāmic Scholar, who devoted whole of his life for the cause and propagation of message of Islām. In this way the main objective of this book is to bring the people of Kashmir in particular and whole humanity in general to come closer to Qurān and Ḥadīth with the help of Shaikh al-'Ālam's (Reh.A) poetry. This justifies his poetry as the teachings of Qurān and Ḥadīth in Kashmiri Language. May Allah (s.w.t) accept this book and made it beneficial to all of us in remaining steadfast with the teachings of

Islam and a means of source of salvation in this world as well as in the hereafter.

Sufi Laleh Bakhtiar 1976 Describes the rituals and the material forms of the Islamic tradition

The Way of the Sufi Idries Shah 2004 Sufism, the mystical aspect of Islam, has had a lasting effect on the literature of that religion. It's teachings aim at perfecting the human mind.

This is an anthology of Sufi writings which form an introduction to this body of thought.

The Sufi Book of Life Neil Douglas-Klotz

2005-02-22 Part meditation book, part oracle, and part collection of Sufi lore, poetry, and stories, The Sufi Book of Life offers a fresh interpretation of the fundamental spiritual practice found in all ancient and modern Sufi schools—the meditations on the 99 Qualities of Unity. Unlike most books on Sufism, which are primarily collections of translated Sufi texts, this accessible guide is a handbook that explains how to apply Sufi principles to modern life. With inspirational commentary that connects each

The Principles of Sufism 'A'ishah al-Ba'uniyyah 2016-03-15 'A'ishah al-Ba'uniyyah of Damascus was one of the great women scholars in Islamic history. Born into a prominent family of pious scholars and Sufi devotees, 'A'ishah received a thorough religious education and memorized the Quran at age eight. A mystic and a prolific poet and writer, she composed more works in Arabic than any other woman before the 20th century. Yet despite her extraordinary literary and religious achievements, 'A'ishah al-Ba'uniyyah remains largely unknown. For the first time, her key work, *The Principles of Sufism*, is available in

English translation. *The Principles of Sufism* is a mystical guide book to help others on their spiritual path. Outlining the four principles of Repentance, Sincerity, Remembrance, and Love, it traces the fundamental stages and states of the spiritual novice's transformative journey, emphasizing the importance of embracing both human limitations and God's limitless love. Drawing on lessons and readings from centuries-old Sufi tradition, 'A'ishah advises the seeker to repent of selfishness and turn to a sincere life of love. In addition to his lucid translation, Th. Emil Homerin provides an insightful introduction, notes and a glossary to 'A'ishah al-Ba'uniyyah's remarkable account of the pursuit of mystical illumination.

Sufi Bodies Shahzad Bashir 2013-09-01 "Bashir weaves a rich history of Sufi Islam around the depiction of bodily actions in Sufi literature and miniature paintings produced circa 1300-1500 CE. Focusing on the Persianate societies of Iran and Central Asia, he explores medieval Sufis'

conception of the human body as the primary shuttle between interior (batin) and exterior (zahir) realities with particular attention to three arenas: religious activity in the form of rituals, rules of etiquette, asceticism, and a universal hierarchy of saints; the deep imprint of Persian poetic paradigms on the articulation of love, desire, and gender; and the reputation of Sufi masters for working miracles, which empowered them in all domains of social activity. Bashir ultimately offers a new methodology for extracting historical information from religious narratives"--Cover p. [4].

Sufi Meditation and Contemplation Scott Kugle
2012 Sufi Meditation and Contemplation offers fresh translations of three classic Sufi texts from Mughal India: The Alms Bowl of Shaykh Kalimullah Shajehanabadi, The Compass of Truth by Dara Shikoh, and the Treatise on the Human Body attributed to Mu'in al-Din Chishti. These texts elucidate meditation practices and the resulting effects. All three come from the Mughal

era in India, which witnessed a flowering of Sufism in innovative personalities, diverse mystical orders and bold literary expressions."Meditation is the way to instill the values in the heart, to such a depth that the heart itself is transformed. The heart then is not merely an organ in the body, and is not just on's own personal center; when properly activated through meditation, the heart opens up to reveal the very presence of God with one and with all. To find this state of loving intimacy is the advice of the Qur'an when it says, "So remember me, that I may remember you." And according to Sufi teachings, to meditate and contemplate is the way to draw God down to you and to allow yourself to be lifted up toward God." - from the foreword by Scott Kugle

Indian Sufism Since the Seventeenth Century Nile Green 2006-09-27 Sufism is often regarded as standing mystically aloof from its wider cultural settings. By turning this perspective on its head, Indian Sufism since the Seventeenth Century

reveals the politics and poetry of Indian Sufism through the study of Islamic sainthood in the midst of a cosmopolitan Indian society comprising migrants, soldiers, litterateurs and princes. Placing the mystical traditions of Indian Islam within their cultural contexts, this interesting study focuses on the shrines of four Sufi saints in the neglected Deccan region and their changing roles under the rule of the Mughals, the Nizams of Haydarabad and, after 1948, the Indian nation. In particular Green studies the city of Awrangabad, examining the vibrant intellectual and cultural history of this city as part of the independent state of Haydarabad. He employs a combination of historical texts and anthropological fieldwork, which provide a fresh perspective on developments of devotional Islam in South Asia over the past three centuries, giving a fuller understanding of Sufism and Muslim saints in South Asia.

Western Sufism Mark Sedgwick 2016-10-18
Western Sufism is sometimes dismissed as a

relatively recent "new age" phenomenon, but in this book Mark Sedgwick argues that it has deep roots, both in the Muslim world and in the West. In fact, although the first significant Western Sufi organization was not established until 1915, the first Western discussion of Sufism was printed in 1480, and Western interest in Sufi thought goes back to the thirteenth century. Sedgwick starts with the earliest origins of Western Sufism in late antique Neoplatonism and early Arab philosophy, and traces later origins in repeated intercultural transfers from the Muslim world to the West, in the thought of the European Renaissance and Enlightenment, and in the intellectual and religious ferment of the nineteenth century. He then follows the development of organized Sufism in the West from 1915 until 1968, the year in which the first Western Sufi order based on purely Islamic models was founded. Western Sufism shows the influence of these origins, of thought both familiar and less familiar: Neoplatonic emanationism, perennialism,

Downloaded from

pantheism, universalism, and esotericism. Western Sufism is the product not of the new age but of Islam, the ancient world, and centuries of Western religious and intellectual history. Using sources from antiquity to the internet, Sedgwick demonstrates that the phenomenon of Western Sufism draws on centuries of intercultural transfers and is part of a long-established relationship between Western thought and Islam. Beauty and Light Cemalnur Sargut 2018 Cemalnur Sargut, the Turkish leader of the Rifa'i Sufi order, occupies a special place in the intellectual and social landscape of contemporary Islam. This is so for multiple reasons. As a female Sufi teacher who commands a loyal and active worldwide following, especially in Turkey, Sargut's career as a scholar and Sufi leader represents an important case study in the dynamics of contemporary global Sufism. This volume represents the first text in English translation that brings together some of her major discourses and teachings as presented to

her students through the genre of oral discourses. More specifically, the discourses that form the core of this book were collected through oral interviews with Cemalnur conducted by her students as part of a weekly program aired on a national Turkish radio station. The original Turkish transcription on which this English translation is based is titled *Dinle* (Listen), and was published in 2012 by Nefes Press. Cemalnur has been actively training disciples and students in the teachings and practices of the Rifa'i Sufi order for the last forty years. While her oral and written discourses are widely available in Turkish, they have until now remained inaccessible to an English language audience. This book seeks to address this lacuna by introducing key aspects of her thought and spiritual orientation in English. In this brief introduction I wish to provide readers a broad outline of the key themes and concepts that animate the lineaments of Cemalnur's thoughts as presented in this book. In addition, I also hope to provide readers with the intellectual

and institutional context in which one might be able to place Cemalnur's thought and scholarly career. Moreover, I will also have the occasion to discuss the literary genre within Sufism and Islamic literature that corresponds to the kind of oral teachings and sermons that populate the pages of this book. Finally I will briefly explain the stylistic decisions and choices that were made in the presentation of this text.

Sufism Nile Green 2012-02-20 Since their beginnings in the ninth century, the shrines, brotherhoods and doctrines of the Sufis held vast influence in almost every corner of the Muslim world. Offering the first truly global account of the history of Sufism, this illuminating book traces the gradual spread and influence of Sufi Islam through the Middle East, Asia, Africa, and ultimately into Europe and the United States. An ideal introduction to Sufism, requiring no background knowledge of Islamic history or thought Offers the first history of Sufism as a global phenomenon, exploring its movement and

adaptation from the Middle East, through Asia and Africa, to Europe and the United States of America Covers the entire historical period of Sufism, from its ninth century origins to the end of the twentieth century Devotes equal coverage to the political, cultural, and social dimensions of Sufism as it does to its theology and ritual Dismantles the stereotypes of Sufis as otherworldly 'mystics', by anchoring Sufi Muslims in the real lives of their communities Features the most up-to-date research on Sufism available Hindu, Sufi, or Sikh S. Ramey 2008-10-27 By analyzing concrete examples of the creation of a heritage in the context of migration, this multi-sited ethnography considers the implications of representations of religions and diaspora for Sindhi Hindus and other similar communities.

Irshad Muzaffer Ozak 1988

Routledge Handbook on Sufism Lloyd Ridgeon 2020-08-10 This is a chronological history of the Sufi tradition, divided in to three sections, early, middle and modern periods. The

book comprises 35 independent chapters with easily identifiable themes and/or geographical threads, all written by recognised experts in the field. The volume outlines the origins and early developments of Sufism by assessing the formative thinkers and practitioners and investigating specific pietistic themes. The middle period contains an examination of the emergence of the Sufi Orders and illustrates the diversity of the tradition. This middle period also

analyses the fate of Sufism during the time of the Gunpowder Empires. Finally, the end period includes representative surveys of Sufism in several countries, both in the West and in traditional "Islamic" regions. This comprehensive and up-to-date collection of studies provides a guide to the Sufi tradition. The Handbook is a valuable resource for students and researchers with an interest in religion, Islamic Studies and Middle Eastern Studies.
