Deconstructing the

Jodoverse Alejandro

Jodorowsky 2021-10-26

Visionary author, filmmaker, and philosopher Alejandro Jodorowsky has created — along with some of the world’s most singular and talented sequential artists — an incredible Sci-Fi universe, full of love, revenge, intrigue, betrayal, and redemption: THE JODOVERSE. The Jodoverse’s

two cornerstone series are The Incal and The Metabarons, which together have sold over 5 million copies worldwide.

This deluxe box set (two oversized books in one deluxe slipcase box) will be limited at 1500 numbered copies. Book 1 will contain the reference guide on The Incal, Deconstructing the Incal, which lifts the veil on many of the mysteries and secrets surrounding the seminal

science-fiction graphic novel. This encyclopedic reference book is packed with fascinating insights from the creators, Jodorowsky and Mœbius, alongside revealing text and rare and unseen preliminary illustrations. The book will also contain the original 56 pages drawn by Mœbius of the unfinished first version of the sequel story (After The Incal). Book 2 will feature the second reference guide to the Jodoverse, Deconstructing the Metabarons, focused on unveiling the secrets of the universe's fiercest warrior clan: the Metabarons. Book 2 will also include Weapons of the Metabarons, the seminal series' spin-off story recounting how the mightiest warrior in the universe built his arsenal of war and featuring A-list comics star Travis Charest's (Wildcats, WildC.A.T.s/X-Men: The Golden Age, and Star Wars comics covers) interpretation of The Metabarons' mythology.

Loving Dead Stefano Raffaele 2014 Alan was a simple carpenter until a freak accident ended his life. Now he is

among the undead, in a world where 95% of the population are sentient zombies. While on the run from the many - both live and dead - violent factions dotting this post-apocalyptic landscape, Alan finds the girl of his dreams - the decaying, yet beautiful, Lynn. As their bodies rapidly disintegrate, Alan and Lynn make one last, desperate effort to live and love again by hunting down an experimental serum that might just save them. Stefano Raffaele ("Pandemonium," DC Comics' "Birds of Prey"), employs his signature macabre, yet gorgeous, style in this truly original horror tale: a zombie romance.

Cape Horn Christian Perrissin 2014-02-26 GRAPHIC NOVELS. Tierra del Fuego, at the beginning of the 20th century. A vast and desolate land only frequented by gold diggers, English missionaries, Chilean and Argentine military and the age-old Ona, Alacaluf and Yaghan tribes. In this unique world, where the Andean mountains plunge into the Pacific Ocean, several

characters with tormented fates will cross paths and clash, on their journey to Cape Horn. A sprawling, nautical, frontier saga, full of adventure and romance, from the author of *El Nino*.

Pandora's Eyes Milo Manara 2016-11-23 An edge-of-your-seat thriller spiced with Milo Manara's gorgeous erotic sensibility.

Have We No Rights? Mabel Williamson 2006-11-01 As a missionary in overcrowded China for many years, Mabel Williamson learned that she was not her own. She could not stand for her own rights because, in a real sense, she had no rights. Throughout this interesting and informative book, the author shows you the difference between suffering hardships and suffering the infringement of one's rights. She says that every truly consecrated Christian must be willing to give up the right to

the normal comforts of life, to physical health and safety, to the privacy of business, and to time, friends, romance, family, and home. There are numerous illustrations and frank discussions that will provide you with fascinating material. This is especially good material for mission groups and churches.

Albina and the Dog-Men

Alejandro Jodorowsky
2016-05-10 From the

psychomagical guru who
brought you The Holy
Mountain and Where the Bird
Sings Best comes a
supernatural love-and-horror
story in which a beautiful
albino giantess unleashes the
slavering animal lurking inside
the men of a small village.

When two women—an
amnesiac goddess and her
protector, a leather-tough
woman called Crabby—arrive
in a Chilean desert town,
Albina's otherworldly allure
and unfettered sensuality turn
men into wild beasts. Chased
by a clubfooted corrupt cop,
evil corporate overlords, giant-
hare-riding narcos, and
Himalayan cultists, Albina and
Crabby must find a magical
cactus that will cure Albina and
the men's monstrous affliction
before the town consumes
itself in an orgy of lust and
violence. Albina and the Dog-
Men is Alejandro Jodorowsky's
darkly funny, shocking, and
surreal hybrid of mystical
folktale, road novel, horror
story, and social parable,
ultimately uniting in a
universal story of love against

the odds and what makes us human. Praise for *Albina and the Dog-Men* “Deeply psychological and mysterious, the book will stimulate the imagination of the reader's mind to the extreme.” —Marina Abramović “In his latest novel, Jodorowsky builds on his multi-decade long assault of the public imagination . . . a fantastical and genre-defying parable of love and friendship. . . . Throughout this dark dream of a novel, Jodorowsky's writing is comic and occasionally mesmerizing. It is also ripe with horror and philosophical questions about what it means to belong, everywhere and nowhere. And while some of the subject matter is disturbing, it often carries the air of something ancient that you read children by a fire. For years Jodorowsky has proven the intensity of his imagination, and how far he is willing to go to present his singular vision to the world. He is a fully realized artist whose tales demand attention. At its core, *Albina and the Dog-Men* is a love story about two people

committed to one another's survival and to discovering their potential. And, as with life, it is sometimes only through the weathering of a storm that our true capacities are made clear.” —Juan Vidal, NPR Books “[*Albina and the Dog-Men*] may be the ultimate piece of Jodorowsky arcana, a mind-bending adventure story on par with his wildest cinematic visions. . . . A surrealist novel par excellence, *Albina and the Dog-Men* is a dream, a prophecy, a hallucination, and a transfiguration such as only Jodorowsky could induce.” —Publishers Weekly

“Composed like a feverish fairytale, *Albina and the Dog-Men* is a South American parable of self-acceptance and belonging that is fueled by prurience and colored with vivid, hallucinogenic details. . . . No moment of Jodorowsky's book is at all predictable or familiar, and those who have a taste for the uncanny will be in awe over its undulations into strange, even godly, territory. The sensuality of the prose

thickens as Albina's situation becomes more tenuous, resulting in heady and appealing constructions. . . . As Albina and her followers traipse over barren lands and into forests protected by ancient Incans, the novel winds toward territory both magical and needfully human. The surreal methods of redemption in the novel's final pages prove both glorious and moving. Jodorowsky's is a work of unforgettable weirdness, a work whose movements are directed by sometimes violent mysticism and whose final lessons may speak to all who have ever dreamed of transformation." —Michelle Anne Schingler, Foreword Reviews, Five-Star Review

The Panic Fables Alejandro Jodorowsky 2017-03-16 The complete series of filmmaker Alejandro Jodorowsky's spiritual comics, translated into English for the first time • Contains all 284 of Jodo's Panic Fables comics, published weekly from 1967 to 1973 in Mexico City's El Heraldo newspaper • Includes an introduction describing how the Panic Fables came to be • Explains how he incorporated Zen teachings, initiatory wisdom, and sacred symbology into his Panic Fables, as well as himself as one of the characters In 1967, in response to theatrical censorship rules

that put him on the political “black list” in Mexico City and caused his plays and his pantomime classes at the School of Fine Arts to be cancelled, Alejandro Jodorowsky decided to pursue a new form of artistic expression to earn his living: comics. Working with his friend Luis Spota, the editor of the cultural section of the newspaper El Heraldo de México, Jodo initially planned 3 months’ worth of weekly comics, which he would draw himself. However, his “Panic Fables”--named after his early ‘60s avant-garde theater movement in Paris--were met with such insatiable popularity that he continued the series for six and a half years, from June 1967 until December 1973. Appearing for the first time in English, this book presents all 284 of Jodorowsky’s Panic Fables in full color, along with an introduction by the author. He reveals how his first comics reflected his pessimism about the future and the meaning of life, the negativity of which soon exhausted him. He

realized he needed to show the positivity that he encountered in life, and thus, little by little, he began incorporating Zen teachings, initiatory wisdom, and sacred symbology into his Panic Fables. Through this transformation and the outpouring of support from his devoted readers, many of whom cite the Panic Fables as providing pivotal guidance during their adolescence, Jodo discovered that art can serve to heal as well as raise consciousness. Writing himself into his comics, Jodo can be glimpsed as the character of the disciple who talks with his master and, as the series progresses, gradually grows to assume the role of master, providing psychomagic solutions to the problems of everyday life. In reading the complete Panic Fables in chronological order, much like his film The Dance of Reality, we witness in colorful detail Jodorowsky’s own path of spiritual growth.
