Self-help guru Shimoff presents three new ideas and a practical program to change the way readers look at creating happiness in their lives: 1. Happiness is not an emotion, a spike of elation or euphoria, but a lasting, neuro-physiological state of peace and well-being. 2. True happiness is not based on what people do or have--it doesn't depend on external reasons or circumstances. 3. Research indicates that everyone has a happiness set-point. No matter what happens to a person, they will tend to return to a set range of happiness. The Seven Secrets to Healthy, Happy Relationships Don Miguel Ruiz Jr 2018-10-22 We all want to love and be loved unconditionally - unfortunately patterns and past experiences often put us in a position where we need to feel guarded or distant. This distance keeps us from feeling true emotional intimacy with our partners, and all aspects of our relationships suffer as a result. The Seven Secrets of Healthy, Happy Relationships seeks to change that by providing a path by which you can recover from the past, enjoy the present, and fight your fears for the future before they have a chance to take root in your relationships. Ruiz and Amara teach that unconditional love is like a river: when you love someone based on conditions, the river gets dammed and stagnant, but unconditional love flows through all aspects of your relationship and your life. By undamming the river of unconditional love between you and your partner, you will create a strong, caring relationship by learning to: Allow yourself to experience emotional intimacy, even if you've been hurt in the past Heal past hurts and traumas that are holding you back from your current relationship Be in the present in your relationship, rather than living from the past or in the future

The Three Questions Don Miguel Ruiz 2018-06-26 The beloved spiritual teacher builds on the message of his enduring New York Times and international bestseller *The Four Agreements* with this profound guide that takes us deeper into the tradition of Toltec wisdom, helping us find and use the hidden power within us to achieve our fullest lives. In *The Four Agreements*, Don Miguel Ruiz introduced seekers on the path to enlightenment to the tenets of Mesoamerican spiritual culture—the ancient Toltec. Now, he takes us deeper into Native American practice, and asks us to consider essential questions that drive our lives and govern our spiritual power. Three eternal questions can help us into our power and use it judiciously: Who am I? What is real? How do I express love? At each stage in our lives, we must ask these simple yet deeply profound questions. Finding the answers will open the door to the next stage in our development, and eventually lead us to our complete, truest selves. But as Don Miguel Ruiz makes clear, we suffer if we do not ask these questions—or if we fail to pay attention to their answers—because we either never act on our power or use it destructively. Only when power is anchored in our identity and in reality will it be able to be in synch with the universe—and be of true benefit to ourselves and to others. The three questions provide a practical framework that allows readers to engage with Ruiz’s transformative message and act as a vehicle for overcoming fear and anxiety and discovering peace of mind. An essential guide for all travelers pursuing self-knowledge, understanding, and acceptance, *The Three Questions* is the next step in our unique spiritual metamorphosis.

You are nothing else but who you are. You are not the person you were a year ago. You are not the person you will be in a year. You aren't even the person you think you are. You simply are, and that must be enough.” —don Miguel Ruiz Jr. This book will have special appeal to those already familiar with his father's books *The Four Agreements*, *The Mastery of Love*, and *The Fifth Agreement*, as well as don Miguel Ruiz Jr.'s own book, *The Five Levels of Attachment*. One of the biggest lies in the story of humanity is the lie of our imperfection.” — don Miguel Ruiz • From the international bestselling author of *The Four Agreements* • A New York Times bestseller • Over 300,000 copies sold in the U.S.

The Wisdom of the Shamans Don Jose Ruiz 2019-05-07 For generation after generation, Toltec shamans have passed down their wisdom through teaching stories. The purpose of these stories is to implant a seed of knowledge in the mind of the listener, where it can ultimately sprout and blossom into a new and better way of life. In *The Wisdom of the Shamans: What the Ancient Masters Can Teach Us About Love and Life*, Toltec shaman and master storyteller don Jose Ruiz shares some of the most popular stories from his family's oral tradition and offers corresponding lessons that illustrate the larger ideas within each story. Ruiz begins by explaining that contrary to the stereotypical image of “witch doctor,” the ancient shamans were men and women who fulfilled several roles within their communities: philosopher, spiritual guide, medical doctor, psychologist, and friend. According to Ruiz, their teachings are not primitive or reserved for a chosen few initiates but are instead a powerful series of lessons on love and life that are available to us all. To that aim, he has included exercises, meditations, and shamanic rituals to help you experience the personal transformation these stories offer. The shamans taught that the truth you seek is inside of you. Let these stories, lessons, and tools be your guide to finding the innate wisdom that lives within.

The Circle of Fire Don Miguel Ruiz 2013-08-09 In *The Circle of Fire* (formerly published as *Prayers: A Communion With Our Creator*) Ruiz inspires us to enter into a new and loving relationship with ourselves, with our fellow humans, and with all of creation. Through a selection of beautiful essays, prayers, and guided meditations, Ruiz prepares our minds for a new way of seeing life, and opens our hearts to find our way back to our birthright: heaven on earth. The result is a life lived in joy, harmony, and contentment. In my teachings, “The Circle of Fire” ceremony celebrates the most important day of our lives: the day when we merge with the fire of our spirit, and return to our own divinity. This is the day when we recover the awareness of what we really are, and make the choice to live in communion with that force of creation we call “Life” or “God.” From that day forward, we live with unconditional love in our hearts for ourselves, for life, for everything in creation. This book, first published in 2001 as “Prayers: A Communion with Our Creator,” will remind you of what you really are. It has always been my favorite book, and now in honor of my favorite prayer, it has been appropriately renamed “The Circle of Fire.” -- don Miguel Ruiz
