**Annapurna Devi** Atul Merchant 2021-11-22 Legendary musician Annapurna Devi's life has been shrouded in mystery. Daughter of the unparalleled Allauddin Khan of Maitra and the first wife of Pandit Ravi Shankar, she conquered the summit of Indian classical music, only to later renounce public life to spend her entire life as a recluse in the confinement of her house. Until the age of sixteen, Annapurna Devi was confined to her family home at Maihar, where her father was a court musician and guru to the maharaja. During this period, she devoted herself exclusively to the deepest study and practice of Indian classical music under the strict tutelage of her father. After her estrangement from her husband Pandit Ravi Shankar, Annapurna Devi went ever deeper into self-imposed seclusion. The only people whom she met and communicated with were her disciples who used to visit her for music lessons, which included some of the greatest musicians our era has seen, including Pandit Nikhil Banerjee, Pandit Hariprasad Chaurasia, Ustad Bahadur Khan, Aashish Khan, Dhyanesh Khan, Nityanand Haldipur and Basant Kabra, to name a few. Full of anecdotes and untold stories, this is her life story as told by her to her disciples over a period of time, giving valuable insights into their Guru Ma's personality, music and teachings.

**Green Signals** Jairam Ramesh 2015-03-05 The debate on whether to privilege economic growth over ecological security is passé. Environmental considerations must be at the heart of economic growth, especially for a country of 1.25 billion people destined to add another 400 million by the middle of the century. Green Signals chronicles the '1991 moment' in India's environmental decision-making, telling the story of how, for the first time, the doors of the environment ministry were opened to voices, hitherto unheard, into the policy-making process. It details efforts to change the way environment is viewed both by proponents of environmental security and those who prize economic growth at all costs. Told from the perspective of a pivotal decision maker, the book addresses the challenges involved in trying to ensure economic growth with ecological security. It takes us through India's coming of age in the global environmental and climate change community to take on a leadership role that is progressive, proactive, and steeped in national interest. Using speaking orders on high-profile projects, notes and letters to the Prime Minister, ministerial colleagues, chief ministers and others, Jairam Ramesh gives an insight into the debates, struggles, challenges, and obstacles to bringing environmental considerations into the mainstream of political and economic decision-making. This collection reveals the story of the author's attempt at the highest levels of governance to introduce effective decision-making, a transparent and accountable administration, and to make environmental concerns an essential component of a nation's quest to accelerate economic growth and end the scourge of poverty and deprivation.

**Amader Shantiniketan** Shivani 2021-05-24 -Padma Shri and late Hindi author Shivani's memoirs of studying at the experimental school set up by Rabindranath Tagore. -A rare view and stories of life inside the Ashram, of how the students' intimate relationships and interactions with Tagore and other towering personalities shaped them. -Includes tributes to other iconic personalities who called Shantiniketan their home, such as Satyajit Ray and Pandit Hajari Prasad Dwivedi. -Written with such warmth and filled with laughter, this book can be enjoyed by both adults and children. -Translated into English for the first time by Ira Pande, the author's daughter and Sahitya Akademi winner for her translation of Manohar Shyam Joshi's T'ta Professor This charming memoir is a loving homage to a grand institution and its legendary gurus. Written from the perspective of a child and young girl, it retains the freshness and innocence of an age when experimental education was not merely a trendy movement. Shivani's vivid pictures of the Ashram and portraits of her teachers

and fellow students remain as alive as they seemed when she first wrote this memoir nearly fifty years ago. Along with the moving tributes she wrote when some of her beloved contemporaries passed away, this slim memoir is a sort of diptych that captures the spirit of the Ashram and the liveliness of its inmates, many of whom went on to become iconic Indians. Shivani's recall of her time there takes the reader into an enchanted garden that remains as inspirational to her as it was when she went there all the way from Kumaon a lifetime ago.

**Simplifying Research in Music** Samidha Vedabala 2021-08-14 Tittle - Simplifying Research in Music \* Author- Samidha Vedabala \* Publisher- Wizard Publisher \* Book Details:- \* ISBN-978-81-949076-4-0 \* Size- 15.24 X 22.86 X 4 CM \* About the book:- Very few people knew that I am writing this book. Even I could not imagine that I will come up with such a book so early. As always, there are few people behind a person who do the things. I, first of all, will mention those three people. Firstly, Himanshu, my husband, this is his idea. It was just a few months back when the research methodology lectures started around March. I was making my notes for class. He said, "Write every lecture in detail; you can make it a book later". I didn't know this can be materialized in July. Secondly, my Guruji Pandit Sanjoy Bandopadhyay, who is always an inspiration for almost everything in my life. He deserves special thanks as he only had confidence (which I didn't have) on me. Thirdly, Dr Krishnendu Dutta, My colleague at Sikkim University. He has just blind confidence in me. He only asked me to do it just now. And I did; thank You Sir! The time when this book was being written was tough in every one's life. India was fighting with the second wave of COVID-19. With lots of stress and worry of losing one of the dearest members of the family, sometimes I was writing with tears in my eyes. In this journey, two of my dearest students Manisha and Saraswati, who were with me for almost three months, have helped me a lot in nearly everything. They are the witness of all the sentences/pages I was improving. Every diagram I was doing. Thanks a lot, Dear!. God bless you. My mother and sister were worrying every day about how will I finish my work. My MPhil and PhD student. Who unknowingly are the very first inspiration for this book to happen. And to my little sitar student Shradha Sharma who has designed the cover page. Special thanks to the wizard publisher especially Saiyed Junaid, to bear with my delay submitting the manuscript and materializing it.
